“ *A blessing across the doorstep...  
A smile and hug to share...  
The cheerful voice, and ear to lend...  
Showed all of us you cared.  
You've been called up...  
Your time has come...  
And now's your time to go...  
We'll lift the glass and sing our songs...  
We know you'd enjoy the show.  
Many hugs to the family both of the blood and heart.  
You were well loved and will be missed by many.
