

Timothy B Sudlow

December 7, 1937 - September 30, 2017

Timothy "Tim" Sudlow, 79, loving husband, adoring father and doting grandfather, passed into eternal life on Saturday, September 30, 2017 at a local hospital.

Visitation: 6 to 8 p.m. Tuesday at Sean Ryon Ranch, 5516 CR 312, Cleburn, Texas, 76031. Funeral: 11 a.m. Wednesday at Tabernacle of Praise, 10180 Rolling Hills Dr, Benbrook, Texas, TX 76126.

Tim Sudlow was born on December 7, 1937 in Fairfield County, Ohio, the 2nd of 4 children born to the late Herbert Elsworth Sudlow and the late Juanita Jackson Sudlow.

A truck driver by trade, Tim specialized in moving heavy equipment. The heavier the load, the more he enjoyed it. Never one to be idle, he would spend countless hours mowing the acreage at Sean Ryon Ranch in Cleburn or Tabernacle of Praise in Fort Worth for 14 years.

Tim never met anyone that would consider him a stranger. He loved keeping everyone entertained and laughing. When time allowed, you might see him around Burleson riding his Harley.

In addition to his parents, he was preceded in death by a brother, Herk

Sudlow and a sister, Shirley Sudlow Plant.

He is survived by his loving wife of fifty-nine years, Janie Marshall Sudlow; daughter, Teresa Sudlow Darst and her husband Nathan; grandchildren, Joshua Darst, Tiffany Darst French and her husband Donald; great-grandchildren, Isaac, Isaiah, Presley, Tessa, Gracie and Alexis. Also by a brother, Dave Sudlow and his wife Sharon.

The family kindly directs donations in lieu of flowers to Fort Worth's Cook Children's Medical Center, <https://www.cookchildrens.org/giving/donate/Pages/default.aspx>

“ I'm so sorry Janie & Teresa and family for your loss. I know well what you are going through. It is so very difficult to lose someone you have been so close to your entire life. We'll be thinking about you and praying for you. I have the fondest memories of our families getting together at Grandma & Grandpa's for the holidays. Tim would always call us the "city slickers". They were good times.

“ *I'll always remember him as enjoying a good laugh and loving a good cup of coffee. He was always there for me and my family- whether on the tractor, taking care of horses, or just sitting and talking awhile. I think he could "fix" just about anything and he was a great listener. He and Janie both became family to us and we love them dearly. He will be greatly missed. Thanks for always looking out for me Tim, as if I was one of your own! I love you.*

“ I will miss my buddy!!! I have soooo many stories... too many to tell... some I probably never will tell! Lol We did some pretty funny things! I guess one of my favorite things was seeing Tim drive up on the property while it was still dark... turn his lights out as he turned in the gate so he would not shine his lights in the bedroom... I would jump up and put on coffee, grab a couple of cups and take the pot of coffee to the barn and we would sit in some lawn chairs and watch the sun come up. We told a lot of tall tales and laugh a lot... he was always in for a good story and a good laugh! After we would drink the pot of coffee and the sun was up for about a half hour... Tim would say, "well, we don't make a lot of money but we have a lot of fun!" That was his way of saying I better get to work. And work he did. Hard. Long and steady. I will miss that good man... R.I.P. Tim! See you in a little while.... Love you! Bishop Gary Oliver

“ Well.....Tim's smile you just never forget. Every time he smiled, those smiley eyes just looked right through you. The times I came to visit, every morning when I'd walk in the house, there he would be, almost as if he were waiting on me. He'd first tell me that coffee was ready for me. We'd talk awhile, then he was off to take care of the horses. You will greatly missed big guy. Love Ya. Sharon Daugherty

And then there was the day he let me take off in the zero mower. That a day. And Janie, Tim and Teresa standing there laughing. What fun that was

“ My condolences to your family. My fondest memory of Tim is seeing him with his hands behind his head with his legs kicked up on the tractor resting! I'd drive into work and on days when I saw him I would pretend I was taking a picture and reporting to his boss! I'd tease him and tell him he was caught sleeping on the job!! He give that high pitched laugh and dare me not!!! He was a good man, always hard working! Definitely gonna miss that moment!
