“ Here we are the day before Thanksgiving the first big Holiday since you left us and my heart is so sad. I miss you so much, every breath I think of you. Why did you have to leave so soon. I know I’m supposed to rejoice for you are with our Lord and Savior and all our family that has gone before us, I guess I’m just being selfish. I love you dad, Happy Thanksgiving in Heaven. We will save a seat for you at the table and leave you your favorite Banana Pudding.

“ Not a day goes by that I don't think about you and stare in your room hoping that you would be there. My heart is broken and I miss you so much. I know that you are in a better place and that we will see each other again. Give everyone a big hug from me and give Mom a big kiss and tell her I miss her also. Bridgett and Shonda miss you too and I promised them I would take care of them. Shonda has adopted Brandon as her buddy and she sleeps next to him every night. They also go stare at your room looking for you. Save me a place I will see you soon. I love and miss you daddy.

“ *I'm so lost without you daddy, it's so hard not seeing you in your room. My heart is so broken. I know you are pain free and dancing in heaven with mom, but the selfish part of me wishes you were still here. I love you and I miss you so very much. Until we see each other again I will cherish all the memories we shared.*

“ I worked with you so many years, as well as your son for a few years. You taught me about fiberglass, which I will always remember how patient you were with me. Bought you a tree for your retirement party gift, and gave you a Silver Maple tree that me and my grand daughter raised form seeds when you lived in Kemp. You were so happy with them.  
I still have all the wooden decorations that you and you wife made. You were a true friend, and excepted me for who I was. I wish I would have called you more over the years, but one day, hopefully, we will meet again and catch up. Prayers for your family, as I know you are ok now, safe in heaven with your family and your wife.
