“ Troy (Daddio) came to visit in Utah this last year, he really wanted to take me out to get a Hamburger... It ended up costing him 9+ dollars EACH from Apollo Burger Ugh :(he was a little concerned/frustrated why was it so much??? The lady at the counter who I believe was the owner was trying to change the subject... She said oh you have such a beautiful daughter talking about me... I said to her what do you mean his daughter??? I am his Girlfriend!! The lady turned so red.... we went back to our table and laughed so hard the rest of the day making the lady believe I was his girlfriend! Another time when he was visiting we were watching a music video on T.V. I was dancing by him while he was sitting on the couch.. I always teased him and told him he was the best dancing partner I ever had :) so when I would talk to him on the phone I always told him to put on his dancing shoes :) I will miss you DADDIO you were one of the most amazing men I have ever met! I LOVE YOU <3 Now you can dance with Jesus :)
