“ Tyler was my across the street neighbor when we were kids on Kingston. I always wondered what happened to him after we moved away. I'm glad to see he lived, truly lived. Rest in Peace! Climb a tree for me up there.

“ I am so so devastated to hear about Tyler. He bought the house to the back of me in Magnolia and we became good friends. He was such a caring and thoughtful person. My husband was in the military for 20 years and is also a disabled Veteran. He is 61 and Tyler was always checking in and checking on him. We also had many visits with his dog K C who I just loved.

I am so very sorry for his sweet children. My heart goes out to them and all his family and friends.

He was a good friend to us and we will miss him.

Rest In Peace my friend
