July 14, 1983 - February 10, 2026

Victor Franklin Clary “Vic,” age 42, passed away on February 10, 2026..

Vic was truly one of a kind. Intelligent, independent, and deeply passionate about the things he loved, he lived life in his own unique way. Beneath his quiet strength was a gentle soul who cared deeply for the people in his life.

He had a lifelong passion for computers and technology, and he was the person everyone turned to when something electronic needed fixing. Whether troubleshooting a stubborn computer, setting up new devices, or explaining technology in a way that finally made sense, Vic was always willing to help. His curiosity and knowledge made him not only skilled but trusted.

A devoted gamer, Vic found joy and connection in the digital world. Technology wasn't just a hobby — it was part of who he was.

Vic was preceded in death by his parents, Nadine Shores and Victor Clary. He is survived by his loving wife, Carissa Clary, and his brother, Kenneth Clary, along with extended family and friends who will forever carry his memory in their hearts.
