“ *I worked with Vince for eight years from the time that Reagan middle school opened. The compassion, kindness, and consideration that he showed both faculty and students was amazing. I can still recall how he proudly announced halftime ceremonies for his daughter Laura and the SGP Chey-Annes from the press box. He was a scholar and a gentleman who will be sorely missed 🥺❤️.* ”

I worked with Vince for eight years at Reagan middle school from the time it first opened. It was incredible how kind and considerate he was to both students and and staff. I heard him make announcements from the Press Box to introduce his beloved daughter and the SGP Chey-Anne's. He was a gentleman and a scholar who will be very much missed by the world 😞. Prayers to Laura and his family ❤️.
