“*Merle, (whom I called Nanny) was my grandmother and we were very close. She was one of the most gracious and forgiving people I've ever known. She helped me when I was down and I did my best to help her with whatever she needed. She loved to play Rummy and Dominoes and we did so often. She had a great sense of humor and most of all she had faith. She taught me to have faith and I still do to this day. I remember the last time I saw her and she said it would be the last time we'd see each other, and she was right. When I heard of her passing I was both sad and shocked. She was a larger than life figure to me and she is looking down on us and praying we are all safe.*

I love you Nanny. Rest in piece.
