“ Wayne, I wished you knew how treasured you are to all of us. You were and always will be my favorite uncle. Today was so hard, I kept waiting to see you standing in the crowd because that's where you always were. You and Linda came to every event, no matter how bad you may have felt yourselves. My thoughts keep going back to the day of my surgery, sitting there in my beautiful hospital gown waiting for them to come in and take me back for surgery, with Scott and Bro. Neil and in walked you and Linda. You were barely able to walk yourself as you were in need of hip surgery but you drove all the way out there to be with me and show me how much you cared. I love you so much. The service today was the most amazing thing I have ever experienced and I can not think of one person on this earth more deserving of such a beautiful honorable ceremony than you. I will miss you so much for all of my remaining time here on earth until I see you again in Heaven, I love you Uncle Wayne
